George Newman

Northwest RAC Member

George Newman represents category 3, Elected Official. He was appointed to the NW RAC in 2016.

Commissioner Newman acts as the Pitkin County BOCC liaison to federal land management agencies with management responsibility in Pitkin County (BLM and USFS). He has served as the county's cooperating agency member on past RMP development. He has provided the public with updated information from the BLM's prescribed burns to wildlife habitat restoration and recreational seasonal closures.
